

A decorative graphic consisting of two large, overlapping, wavy shapes. The left shape is a blue arc that curves upwards and to the right. The right shape is a larger blue arc that curves downwards and to the right, partially overlapping the first shape. Both shapes have a green-to-blue gradient, with the green being more prominent on the left and the blue on the right. The text "Secondary Developer" is positioned in the center of the image, between the two shapes.
